

**Exodus**  
**Chapter 4**  
**Student**

**Contents:** Moses' objections. Unbelief of the people and Moses' lack of eloquence. Return to Egypt. Message delivered to elders.

**Characters:** **GOD**, Moses, Aaron, Jethro, Zipporah, elders.

**Conclusion:** Unbelief refuses to believe **GOD** because it does not find a reason for believing. With **GOD**, a stutterer will be an efficient minister, not needing to be unsure or uncomfortable to preach/teach the message.

**Key Word:** Spokesman, 16.

**Strong Verses:** 11, 12, 31.

**Striking Facts:** The rod, symbol of power in **CHRIST**'s hand, was not taken away from Moses, but cast down by Moses. It remained a serpent only while out of his hand. The rod, temporarily out of **CHRIST**'s hand, will soon be taken up again and satan's power will be over.
