

Genesis
Chapter 26
Student

Contents: **GOD** confirmed the Abrahamic Covenant withto Isaac. Isaac's lapse at Gerar, Isaac as a well digger.

Characters: Isaac, Rebekah, Abimelech, Ahuzzath, Phichol, Esau, Judith.

Conclusion: It is peculiarly comforting to see that **GOD** has always dealt with men in ancient times with the same passions that we have and is equally patient in bearing with the same failures. When believers fall, **GOD** is still with them.

Key Word: Blessed, 12.

Strong Verses: 2, 24, 25, 28.

Striking Facts: There is a great difference between **GOD's** blessing through Christ and **GOD's** presence. It is not always possible to evaluate (judge) of another believer's spiritual condition by their current circumstances, [See John 9:1-3] but **GOD** has a purpose in all of **GOD's** dealings. Before the chapter closes, we will see Isaac coming into **GOD's** presence as well as **GOD's** blessing, 24.
