

**Romans**  
**Chapter 9**  
**Instructor**

**Contents:** The covenants of Israel are not eliminated by the Gospel of **CHRIST**. The seven-fold privileges of Israel. The blinding of Israel and **GOD's** mercy to the Gentiles.

**Characters:** **GOD, CHRIST, HOLY SPIRIT**, Abraham, Sarah, Isaac, Moses, Pharaoh, Paul, Rebecca, Isaiah.

**Conclusion:** **GOD** is absolute sovereign in disposing of the children of men with reference to their eternal state. **HE** dispenses His gifts to whom **HE** will without giving us His reasons, but we may rest assured **HE** is a competent judge. Gentiles are permitted by Him, by the short cut of believing in **CHRIST**, to attain to that for which the Jews had long been “beating about the bush,” but lost because of sin and unbelief.

**Key Word:** Election, 11.

**Strong Verses:** 20, 21, 33.

**Striking Facts:** 33. It is sad that the foundation stone should be to any a stone of stumbling, and the rock of salvation a rock of offense, but so **HE** was to the Jews, and is still to multitudes. Those who do believe, however, shall not be ashamed, for their expectations in **HIM** shall never be disappointed.
