

We Pray for All People

1 Timothy 2:1-15

Contents: Exhortation to prayer. Divine order for the sexes.

Characters: God, Christ, Paul, Adam, Eve, Timothy.

Conclusion: Christians are to be men much given to prayer, and in their prayers having a generous concern for others as well as for themselves. They are to especially desire for those in civil authority(government) that God will turn their hearts and direct them, making use of them for the accomplishing of His purposes.

Christian women are to be modest, sober, **silent and submissive** as becomes their place. Woman was created in subordination to man and was never intended to usurp authority, but to be a helpmeet.
