

Exodus

Chapter 29

Student

Contents: Consecration of the priests and the offerings.

Characters: **GOD**, Moses, Aaron, Aaron's sons.

Conclusion: Those representing **GOD** should be set apart in solemn consecration. All their service must have as its base, "the burnt offering."

Key Word: Consecration, 26.

Strong Verses: 18, 45, 46.

Striking Facts: Consecration means "to fill the hand." It is not the believer filling **GOD's** hand. In the arms of Aaron's sons were put the parts of the sacrifice which speak of the inherent richness and power of **CHRIST**. This was their acknowledgment that the power for service was not in themselves, but in another. This is consecration.

Questions:

1. Of what did GOD remind them?
2. How many bulls were used in the sanctification process?
How many lambs?
3. Why was the bull sacrificed?
4. Why were the sheep sacrificed?
5. Why were the one loaf of bread, wafer sacrificed?
6. What was the breast used for?
7. What were the daily sacrifices?

Discussion Question: How does this ceremony(ies) relate to **CHRIST**?
