“The Law of the Holy Vessel”

Instructor

Contents: The law of motherhood.

Characters: **GOD**, Moses.

Conclusion: All are conceived and born in sin (Psalms 51:5) for, if the root be impure, so is the branch. It is only by **CHRIST**, the great sin offering, that the corruption of the child nature is done away.

Key Word: Conceiving, 2.

Strong Verses: 8.

Striking Facts: **OUR LORD**, though not conceived in sin—his mother accomplished the days of purification (Luke 2:22-24) and so poor were **HIS** parents that they could not bring a lamb.

Questions:

1. How old is a female when she gets circumcised?
2. When does a male get circumcised?
3. How many days of purification is there for having a male child?
4. How many days of purification is there for having a female child?
5. What restrictions does the mother have during her uncleanness?
6. What sacrifice is necessary for the atonement?

Discussion Question: Why is the purification time for girls double that for boys? Is that fair? Why/Why not?
