

Leviticus
Chapter 14
Instructor

“Take this medicine”

Student

Contents: Laws concerning cleansing of lepers.

Characters: **GOD**, Moses.

Conclusion: As the leper was cleansed from his fearful malady through the water and the blood, so **CHRIST** comes into the soul for its cleansing “by water and blood” (1 John 5:6). See John 19:34.

Key Word: Cleansing, 2.

Strong Verses: 20.

Striking Facts: The leper did nothing toward his own cleansing. He was sought out by the priest and cleansed by him. Our cleansing is by **CHRIST** alone.

Questions:

1. What type and how many animals is used as the “medicine” of cleansing or leprosy?
2. Where were the animals killed?
3. What else was used in the sacrifice?
4. What was the sacrifice that was needed after the person was named “clean”?
5. What must the clean person do in addition to the sacrifice?
6. What will the priest do to indicate that the person is clean?

Discussion Question: Should there be a reduction in the sacrifice for a poor person?
