## Chapter 18

### Student

**Contents:** The last form of apostate<sup>i</sup> Christendom and the warning to **GOD's** people. The human and the angelic views of Babylon.

**Conclusion:** As there is to be an ecclesiastical Babylon (“confusion”<sup>ii</sup>) heading up in the great Tribulation period, so there is also a great political Babylon, the pride of the great men of the earth, which shall likewise come to a terrible and an everlasting end, when **CHRIST** shall return in glory. This great system, back of which is anti-**CHRIST**, will bitterly hate any who would glorify any god but materialism and the beast and will be guilty of the blood of many prophets and saints who have stood true to the ever-lasting Gospel.

**Key Word:** Babylon’s fall, 2, 21.
