

**Revelation**  
**Chapter 21**  
**Student**

**Contents:** The seven new things of the Kingdom age—earth, peoples, Jerusalem, temple, light, Paradise (Chap. 22).

**Conclusion:** It will be the perfect happiness of the saints, when Christ re-returns to reign, to have **GOD**'s immediate presence with them, **HIS** love fully manifested to them and **HIS** glory fully put upon them. No remembrance of former sorrows shall remain and all causes for future sorrow shall be removed. Whatever is excellent and valuable in t **HIS** world will be there enjoyed to a far greater degree, and Christ will be the everlasting fountain of knowledge and joy to **HIS** people.

**Key Word:** Heaven, 1.

**Strong Verses:** 2, 23, 24, 25. Promises: 4, 6, 7.

**Striking Facts:** 9, 23. The peculiar glory of the Lord Jesus to all eternity is as the “Lamb” which will ever remind of **HIS** sacrificial act upon the cross. T **HIS** title is applied to **HIM** 27 times in Revelation. In the presence of “the Lamb,” there will be no need of sun nor moon, any more than here we need to light candles at noon-day, for “the Lamb is the light thereof.”

**Questions:**

1. Who will suffer the “second death”?
  
2. What is the “new earth”?  
  
Where does it come from?  
  
What is it like?
  
3. What are the dimensions of the “bride”?
  
  
4. How many hours of night is there?

**Discussion Question: Why would the “fearful” suffer with unbelievers?**
