

Hebrews

Chapter 2

Student

Contents: Warning against neglecting the great revelation of salvation. The Earth is under **CHRIST**. **JESUS** was temporarily lower than angels to work out salvation for man.

Characters: **GOD, CHRIST, HOLY SPIRIT**, satan, Abraham.

Conclusion: The salvation provided by **JESUS CHRIST** is so great a salvation that none can express or conceive immensity. The salvation introduces a great **SAVIOR** who manifested **GOD** to mankind despite our sinful natures which made us unable to reconcile ourselves. **HE** was made, for a time, lower than angels, that **HE** might humble **HIM**self unto death for our sakes. The fullness of the **GOD**head dwelling in **HIM** and **HIS** suffering was sufficient for the satisfaction of all of mankind's sin (past, present and future), thereby making salvation possible to all. Rejecting this salvation, therefore is the worst of crime against **GOD**.

Key Word: Great salvation, 3.

Word Study: Succor - assistance and support in times of hardship and distress.

Strong Verses: 3, 9, 10, 14, 17, 18.

Striking Facts: 17, 18. **CHRIST, who is GOD**, became a mortal man that **HE** might die, because as **GOD HE** could not die, therefore **HE** assumed another nature (*which was not sinful, but had many of man's limitations*). To be a perfect **SAVIOR** of mankind, **HE** must in every way take man's place being proven perfect (complete) under *all* conditions, and as a result of being "**THE PERFECT ONE**", bear our sins. Because of **HIS** sufferings as a man, **HE** is made a merciful High Priest, in every way qualified to succor **HIS** people.

Questions:

1. How did GOD bear witness to **HIS** people?
2. Is the world to come subjected to angels?
3. Why was **JESUS** made "lower than angels"?
4. How did JESUS destroy satan?
5. Why is JESUS a "faithful High Priest"?
